Bright and charming apartment in the Gothic Quarter of Barcelona. This apartment is very bright and quiet, as it is on the 3rd floor of a building with elevator. The property has 83 m² built. The entrance hall leads us to the cozy living-dining room, located in the central part of the apartment, the living room receives plenty of natural light.

At one end of the floor, facing the street, we find rooms with a balcony. At the other end, there is a double bedroom, a bathroom with shower and a toilet. The rooms are nice and bright, due to the height of the floor and distribution. The house has original hydraulic floors. The kitchen needs updating.

It is located very close to the sea, in the Gothic Quarter, which allows you to enjoy its historical charms and all the services, stores, a large shopping center and connection with the rest of the city through the metro stops Catalunya or Liceu.
